POLICY DEVELOPMENT

Board Approved and Issued: June 24, 1985

Last Revised: June 19, 2013; April 20, 2022

Policies are guidelines that constitute the will of the Board in determining how the School District operates. Policies are adopted by the Board to provide effective direction and guidelines for the action of the Board, Superintendent, staff, students, electors and broader community. Policies also serve as sources of information and guidelines to all who may be interested in or connected with the operation of the School District. Board policies shall provide an appropriate balance between the responsibility of the Board to develop the broad guidelines to guide the District and the responsibility of the Superintendent to exercise professional judgement in the administration of the District.

Adoption of new Board policies or revision of existing policies is solely the responsibility of the Board.

The Board delegates authority to the Superintendent to create detailed regulation to enact policy.
