I would like to acknowledge that we are on Treaty 8 Territory. The traditional meeting grounds, gathering place and traveling route to the Cree, Dene, Beaver, Dane-Zea and Metis people. I would like to acknowledge the many First Nations, Metis and Inuit, who's footsteps have marked these lands for centuries.

Principal's report (Kristy Rose):

- Christmas concert was really great. Great attendance. Nice to see our gym full of people.

Leah

- Any upcoming events you need support for?
 - Kristy – After the staff meeting, I'll know more. Gwillim is booked for June, Grade 7 grad, computers.
 - Madison – Maybe we can get a brief breakdown of what it actually looks like. How long they will last and used for.
- Will email our Board of Trustee, Chad Anderson. Never hear back from Travis.
- Mables Labels – Will write up a note for Mable's labels to send out to parents.
- Natasha – Dino, winner of our 50/50 draw donated \$400 out of the \$1400 back to the PAC.
- Are we going to Bear Mountain?
 - Kristy – I'll look and see if they have dates.

Natasha

- \$33625.16 main account
- \$1272.50 gaming account. Not including the grant. Will be getting \$1000 in the next month. This is from our 50/50.
- We profited \$872 from December with donations. So with the 50/50 we made \$2000 in December.
- April 50/50 – Let me know and I'll get another license.
 - Madison – We could do another raffle.
 - Natasha – We could also do a silent auction.
 - Nikki – We could sell off old vintage hats, school jerseys.
 - Leah – We were talking about adult only with hypnotist or magician.
 - Madison – We could donate the Tower Lake hall.

- Serena – Could do a gift certificate too.
- We have to reapply for the grant next year for the playground. Opening is end of June – closing is July 1st. Need to have year-end done before then.

Madison

- Upcoming activities and events. Lebell Park community had a meet up over the weekend. A couple families donated skates. Maybe we could have a skating afternoon. Outdoor rink with heated dressing room. Parents could bring skates.
- Is there a swimming lesson program?
 - Kristy – Regional district gives you a grant. Lifeguards aren't available right now. I've also asked if we can go to FSJ but there's an issue with that too. October we received a notice they can't support the school program this year.

Serena (DPAC)

- Meeting isn't until next week

Serena (Indigenous Education)

- School goal around community involvement. Discussed at last meeting.

Next PAC Meeting will be February 8th at 6:30pm.

Meeting adjourned at 7:08pm
